

**Synthesis and Mechanical Testing Of Particle and Fiber  
Reinforced EPDM Based Composites for Active and  
Passive Armor Applications**

**SUPERVISOR**

**Dr. M. BILAL KHAN**

**Submitted to the Department of Materials Engineering, School of Chemical  
and Materials Engineering (SCME), in partial fulfillment of requirements for  
the degree of masters in Materials and Surface Engineering**

**BY**

**SADIA SAGAR**

**National University of Sciences & Technology (NUST)  
H-12, Islamabad, Pakistan**

**Sep 2009**
